

MONDEDLA BALDEV PRASAD

Hyderabad, India

+91 6303100935 | mondedlabaldev@gmail.com | github.com/baldevprasad

Education

CMR Institute of Technology, Hyderabad

B.Tech - Artificial Intelligence & Machine Learning — CGPA: 8.03

2022 – 2026

Hyderabad, India

NSR Impulse Junior College

Class 12 - Percentage: 97.8%

2022

Hyderabad, India

Scholars High School

Class 10 - Percentage: 95%

2020

Telangana, India

Coursework

- Data Structures & Algorithms
- Machine Learning Fundamentals
- Artificial Intelligence
- Operating Systems
- Database Management Systems

Projects

Fake Profile Detection using Machine Learning & NLP

Python, Machine Learning, NLP, Scikit-learn

2025

Academic Project

- Designed and implemented ML + NLP classification system to detect fake social media profiles.
- Processed and analyzed dataset of 5,000+ user profile records textual features.
- Trained supervised learning classification models achieving 85% classification accuracy.
- Optimized detection workflow reducing manual verification effort through automated classification.

Helmet & Number Plate Detection using YOLO

Python, YOLO, OpenCV, TensorFlow, Tesseract OCR

2024

Academic Project

- Built real-time object detection system using YOLO architecture for traffic monitoring applications.
- Processed and analyzed 1,500+ traffic images for helmet and vehicle number plate detection.
- Implemented image preprocessing and bounding box detection to improve detection accuracy.
- Tested model performance across multiple real-world traffic scenarios.

Technical Skills

- **Programming:** Python, JavaScript
- **AI/ML:** Machine Learning, NLP, Deep Learning (Basics)
- **Libraries/Tools:** OpenCV, Scikit-learn, TensorFlow
- **Web Technologies:** HTML, CSS
- **Database:** SQL

Certifications

- Operating System Basics – Score: 83%
- Java Foundation – Score: 78%
- JavaScript Essentials – Score: 70%

Leadership

Dance Club - Team Lead	College Activity
<i>Leadership Role</i>	
– Led choreography and performance planning. – Coordinated rehearsals and event participation. – Mentored junior team members.	

Interests

Sports, Reading, Dancing , Workout
